Legal Raw, an ultra-casual Legal Sea Foods spin-off, is now open at Fan Pier. Legal Raw offers a limited menu with lobster rolls, burgers, hot dogs, shrimp, oysters, and clam chowder in a space that seats about 100, says spokesperson Lindsay Rotondi. It's a pop-up, so it will only be open until mid-September. Between this and [Sam's](#), Fan Pier is shaping up to be quite the chilled out dining destination...at least until Strega Waterfront opens.
