Turner Const. selected as GC for \$125m office building at Fan Pier One

Boston, MA Turner Construction Co. has been selected as general contractor for the \$125 million office building planned at Fan Pier, One Marina Park Dr.

The developer, Fallon Co., chose Turner to construct the 500,000 s/f building.

The 18-story project is the first phase of the 21-acre master plan for the 9-acre waterfront community which will include residences, a hotel, marina, and restaurant and retail space.
